HAGERSTOWN SPEEDWAY

2012 MODIFIED RULES

- A. Hagerstown Speedway general rules and regulations apply.
- B. Straight axle cars only, no A-Frame cars.
- C. Driver's seat must be in middle of car. Drive line must run under the driver's seat.
- D. **Bodies:** No adding of wings, spoilers, or side boards.
- E. **Engines:** Big Block over 358 cu. in., Small Block 358 cu. in., and under.
- F. Carburetion or fuel injection allowed. (Big Blocks)
- G. Carburetion only allowed. (Small Blocks)
- H. **Fuel:** Gasoline or alcohol allowed. (Available at track)
- I. **Tires:** Any brand, any size.
- J. **Weight Limit:** Big Block, 2500 lbs., Small Block, 2300 lbs. (With Driver after race)
- K. Anything not covered in these rules will be up to the discretion of the safety officials without recourse from drivers or owners. All of the preceding rules are subject to revision. The official in charge, reserves the right to make decisions, and judge accordingly. Track officials have the right to refuse any car or driver that does not meet the specifications.
